

Disability Resource Center

Fall Group Schedule!

Day	Time	Type of Group	Description
Monday (meets weekly)	5:00pm-6:00pm	Later Gators Special Interest Group	DRC Later Gators: A nontraditional aged group of students connecting to discuss the adjustment of completing their degree as adults. We aim to connect students to resources, discuss study strategies, and meet new friends. Begins 9/10. Email LisaD@ufsa.ufl.edu if you would like to join via zoom or phone.
Tuesday (meets weekly)	4:00pm-5:00pm	Graduate Student Group	Come join other graduate students to engage in a safe, open space about the specific challenges that graduate students face and collaborate with peers to overcome barriers and reach goals.
Wednesday (1ST Wed of the month)	3:00pm-5:00pm	Gator Support Group Special Interest Group	Join fellow gators who manage chronic medical conditions while attending college. Meets the first Wednesday of each month.
Wednesday (meets weekly)	4:30pm-6:30pm	SOCIAL Gators	For students with autism spectrum disorder (or Asperger's) who want to enhance their college experience by learning social, career, independent living, and academic related skills. OK to come late after your class ends and this group meets EACH WEEK.
Thursday (meets weekly)	4:00pm-5:00pm	Ambassadors for Disability Awareness	Under the guidance of the DRC, this committee works to advocate for students with disabilities on campus. This is accomplished through educational outreach initiatives, interactive events, and providing a constant platform for students of all abilities. Through collaboration with other organizations on campus, we strive to reduce stigma surrounding disability and empower all of our students. This group meets EACH WEEK– join us if you are interested.
Thursday (3rd Thurs- day of each month)	6:30pm-7:30pm	Inflammatory Bowel Group! (Crohn's, Ulcerative Colitis, and Inflam- matory Bowel Dis- ease)	Join the UF Gastroenterology Department on the 3rd Thursday of each month (at DRC) . There will be other students like yourself along with doctors and patient navigators who will share information and resources. Students can also share their experiences living with IBD and learn helpful strategies from other students. No sign up needed. Questions? Contact Issac at 813.830.8042

All groups are held at the Disability Resource Center- Reid Hall. No sign up or registration needed and you can join groups at anytime. If you have additional questions, please contact Amanda Brown at AmandaBr@ufsa.ufl.edu
